

FROM COLBERT

Rev. French filled his regular appointment at the Presbyterian church Sunday morning and night.  
Quite a number of Durant people were down Friday night of last week to visit the order of The Eastern Star and view their work. The home was served the visitors with light refreshments and quite a nice time was had by all.  
Miss Rose Roberts has arrived here from Barkburnett to spend some time with her father.  
Miss Marie Murray was a Sherman since our last writing to hear her sing.  
Mrs. Helen Mason and Miss Minnie Murray are attending the Dallas convention this week.  
Mrs. J. M. Franklin of Denison is visiting her daughter, Mrs. Bert Smith this week.  
Miss Emma Williamson is visiting in Durant this week.  
Miss Grace Yuser has accepted a position to teach in the school here, the place made vacant by the resignation of Miss Rachel Sims.

W. SPEAKS, BRYAN COUNTY PIONEER, IS DEAD

Last Monday morning another one of that sturdy band of pioneers who had the way for the Oklahoma of today, passed away when death came to Henry W. Speaks, one of the best settlers in Bryan county, and of its most highly respected citizens.  
Mr. Speaks was 79 years of age and had resided in this county for fifty years, having originally come to his home where this city now stands and having helped to organize the town. He afterward moved to Denison, where he was residing when he died.  
All of the old-timers knew him and will learn of his passing away with some regret.  
His death came suddenly; until last Monday he appeared to be enjoying the best of health but on that day was stricken with apoplexy and he died.  
The deceased was a Mason and Odd Fellow and he was laid to rest Wednesday, in Highland Cemetery, by the two orders.  
To be in his ashes!

DAVE DUER ENDS LIFE

A young man of about twenty-five years of age, who has been residing with his parents a short distance northeast of the city, took his life about eight o'clock Tuesday morning.  
The weapon used was a revolver from the position of the body it was found that he had placed the gun between his feet

and the muzzle against his forehead, then, with a short stick he had pressed the trigger. The entire top of his head was blown off.  
His father heard the shot and at once went to the room occupied by the young man and found the body as described. The cause of the death was so apparent that no inquest was considered necessary. The body was laid to rest Tuesday afternoon.  
He had been despondent for some time and had made threats of taking his life, but his family thought that it was merely idle talk, although for a time, they had concealed the gun which he used, until the day before when he had used it on a hunting trip.

PUBLIC NOTICE:

All persons who expect to teach in Bryan County this term who have not yet secured their certificates must appear at the County Superintendent's office not later than 8 o'clock a. m., Thursday, October 28th, 1920.

J. LEE CUNNINGHAM,  
County Superintendent.

IMPORTANT NOTICE

Dear Friends:—  
You will no doubt remember the obnoxious and un-American law which the medical men succeeded in having passed by the Sixth legislature in 1917. Chiropractors invoked the referendum, thereby suspending the law until it should be voted on by the people. This question will be voted on at the election Nov. 2, State Question No. 94,—the proposition being stated on the ballots as follows:  
"Shall the bill be vetoed and rendered put inoperative. It has now been put squarely up to the voters of the state as to whether they shall have the privilege of calling in a drugless practitioner if they so desire, or whether the M. D.'s will be given a complete monopoly, and chiropractors and other drugless practitioners will be driven from the state. You will remember this bill makes it compulsory for chiropractors to pass

Bennington, Oklahoma

an examination before a board of physicians and surgeons, but prohibits them, even though they pass a perfect examination, from practicing anything but drugless methods. We do not use drugs or surgery, nor do we believe it fair to ask us to put in additional years of study, preparing ourselves for something we cannot use. Nor is it fair to the thousands of citizens who prefer the drugless doctor to prohibit them from having the practitioner of their choice.

We believe you are interested enough in this proposition that you will use your influence wherever you can to win votes for our just cause. Tell your friends to vote "YES" on the State Question No. 94, and kill Senate Bill No. 111.

This bill, if not vetoed, will take away your privilege of calling in whom you choose, and create a monopoly to which you must bow the knee and pay the price and the price in many instances, will be the giving up of a loved one. (During the "flu" epidemic medical men lost one out of eighteen, Chiropractors lost one out of 800.)

Let's have freedom and equal rights.

Sincerely yours,  
DRS. EVANS & WARREN,  
Chiropractors,  
Durant, Okla.
